Effective Teaching Institute

New Professional Development for TAs and PhDs

WORKSHOP DATES

**August 13-15 and 29**

9 a.m. to 4 p.m. | 312 Benedum Hall

A follow-up session will be scheduled for January 2015.

Light breakfast & lunch will be provided on all workshop days!

This multi-day workshop is designed for TAs and PhDs who intend to teach during the Fall 2014 semester, or who have made arrangements with a mentor to teach a module in a STEM course in the Fall.

- Learn about active learning strategies and practices to engage and support learners.
- Develop a full lesson plan using the alignment model, including learning objectives, instructional activities, and assessment.
- Experience Accountable Talk® Practices and consider how to use these practices.
- Learn about academic integrity, program evaluation, instructional technology, diversity in teaching and learning, and teaching resources on the Pitt campus.
- Practice a portion of your lesson with feedback from educational specialists and peers.

**PLEASE BRING A SYLLABUS AND COURSE MATERIALS WITH YOU.**
